The Quesnel Community Autism Committee is in the process of updating our local Behavioural Interventionist (BI) list. We are planning on updating the list of BI's yearly, starting this September.

We are hoping to create a list for parents' that is reflective of people who are currently willing and available to work as BI's. We are not discouraging people who have full time jobs to apply but are asking that you specify the hours you are available for hire.

Our goal is to create a parent friendly up-to-date list that reflects people who are looking for BI work. If you would like your name on the list, please complete the following form and email to either [carlaf@quesnelcdc.com](mailto:carlaf@quesnelcdc.com) Fax: 250. 992. 3439 or [suemacdonald@sd28.bc.ca](mailto:suemacdonald@sd28.bc.ca) Fax: 250. 992. 7652 **no later than September 25, 2009.**

Thank you in helping us to create a user friendly list for the community.
